The Board of Directors of the Company (**Board**) are committed to achieving and maintaining high standards of performance and corporate governance.

The Company supports the 4<sup>th</sup> Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The directors of the Company (**Directors**, being either Non-Executive Directors or Executive Directors) are responsible to the shareholders for the performance of the Company in both the short and the longer term and seek to balance sometimes competing objectives in the best interests of the Company as a whole. Their focus is to enhance the interests of shareholders and other key stakeholders and to ensure the Company is properly managed.

As required by the ASX Listing Rules, the Company's main corporate governance policies and practices are summarised below, having regard to the Recommendations. Details of the Company's corporate governance plan and related documents are available online at [www.kalgoldmining.com.au](http://www.kalgoldmining.com.au).
